Vertigo Technology Enhances Microsoft® Liquid Motion™

Leading software developer creates add-ons tools for Web designers

Vancouver, BC - (22 June 1998) -- Vertigo Technology Inc. (CDN:VRGO) an industry leading developer of high performance 3D software, today announced **Vertigo Liquid Tools™**, the first in a suite of dynamic animation tools, designed to work within Microsoft's Liquid Motion™ Web multimedia and animation tool.

Vertigo Liquid Tools allows Web designers to create real-life, organic animations within Microsoft Liquid Motion, including such features as **VertigoBounce™**, **VertigoJiggle™**, **VertigoZoom™**, **VertigoShear™**, **VertigoSquish™**, **VertigoRicochet™**, **VertigoTeleport™** and **VertigoMoveTo™**.

"Vertigo Liquid Tools enables any web designer to create true-to-life, interactive animations quickly and easily," said Kevin Jampole, Vertigo's General Manager. "Vertigo's experience with SGI-based 3D animation, and the success of Vertigo's series of 3D plug-ins for the Adobe® Photoshop® and Adobe® Illustrator® markets globally, allows us to put powerful creative tools in the hands of Web designers worldwide."

Vertigo engineers are working closely with Microsoft in the development of Vertigo Liquid Tools, and other Vertigo add-ons for Liquid Motion. "Microsoft is very excited that Vertigo supports Liquid Motion," said Karl Jacob, Product Unit Manager of Multimedia Authoring at Microsoft Corp. "Their products are sure to inspire our Liquid Motion customers to be even more creative with their animations. Vertigo's team has demonstrated that they have a clear understanding of our users' need to easily add interactive, life-like behaviours to their Web designs."

Pricing and Availability

Vertigo Liquid Tools will be available on-line in July '98 for an estimated street price of \$39 (US) from major electronic resellers such as Micro Warehouse, TechWave and Computer Discount Warehouse or direct from Vertigo at <http://www.vertigo3d.com> or 1-888-4-VERTIGO. *For a limited time, a FREE, fully functional pre-release copy of VertigoTeleport can be downloaded from Vertigo's Web site.*
